Safe Return Plan Updated

Safe Return Plan text and assurances must be agreed to every six months.

Date Plan Updated 12/21/2023

Describe how the LEA will ensure continuity of services including but not limited to services to address students' academic needs and students' and staff social emotional mental health and other needs which may include student health and food services. (626 of 1000 maximum characters used)

The LEA provides a safe, clean environment with extensive support services for students. After-school and summer programs cater to diverse academic needs. Staff can access personal support services at all times. Healthy meals are available year-round. Teachers receive training to support students' academic and emotional needs. 1-to-1 device access and updated curriculum address learning gaps. Faculty engages in professional development to improve teaching methods. We prioritize student engagement and relationship-building for academic growth. MTSS framework supports struggling students with comprehensive interventions.

Describe how the LEA sought public comment on its plan and how it took those public comment into account in the development of its plan. (566 of 1000 maximum characters used)

The LEA requested public feedback from the Restart Committee and Pandemic Response Team, comprising parents, board members, teachers, and school staff. After taking into account the input received during these meetings, the Committee devised its plan in line with the guidelines set forth by the Centers for Disease Control and Prevention (CDC). The plan is continuously reviewed to ensure it remains relevant and effective. Additionally, the district solicits annual feedback from stakeholders to further improve the plan and adapt it to the changing circumstances.

Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or if not practicable to provide written translations to a parent with limited English proficiency will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA will be provided in an alternative format accessible to that parent. (919 of 1000 maximum characters used)

The Restart Return Plan of the LEA has been carefully crafted to cater to the needs of our native Spanish speaking parent population. The plan is available in both English and Spanish, with careful attention paid to the use of language that is understandable and devoid of technicalities. Furthermore, our website offers a note that emphasizes the availability of alternative formats, and encourages anyone in need of such formats to contact the school. We take pride in our commitment to providing quality service to our diverse community, and the availability of the Restart Return Plan in both English and Spanish reflects our dedication to this goal. Our efforts to ensure that the plan is clear, concise, and free of technical nomenclature further underscores our commitment to effective communication. We remain open to suggestions and feedback, and encourage anyone with questions or concerns to reach out to us.

Briefly describe any guidance professional learning and technical assistance opportunities the LEA will make available to its schools. (558 of 1000 maximum characters used)

The LEA is committed to offering various professional learning and technical assistance opportunities in multiple formats and modalities. The district's Professional Development Days will serve as structured opportunities for learning. Furthermore, after-school professional development will be provided, and teachers will be given release time to allow for individual or grade/subject-level teams to participate in professional learning. Multiple feedback and evaluation loops will be implemented to ensure maximum success and enable mid-course corrections.

Provide current link to the district's website where the plan is posted.
